

## **Abercrombie House Fourteen Day Shut Down**

In accordance with Government led shut-down advice, and in the interests of public health and safety, and to help inhibit any possible further spreading of the COVID-19 Corona Virus we have decided to close Abercrombie House to the public for a period of fourteen days from today Monday 23<sup>rd</sup> March 2020.

We expect to reopen the house and property on Sunday 5<sup>th</sup> April and will offer a range of activities and experiences for visitors from that date although these arrangements will be subject to review as circumstances develop in the days and weeks ahead.
